- ** **A cinematic concept art depicting a massive dark, dry canyon separating two distinct worlds. On the top left, a beautiful floating island made of white ivory, featuring a glowing glass greenhouse. On the bottom right, a bustling steampunk-style continent with warm fires and golden lights. A deep, dark abyss lies between them. Epic lighting, high contrast between the glowing bioluminescent green from the greenhouse and the warm gold from the continent, Unreal Engine 5 render, highly detailed, 8k, masterpiece. --ar 9:16 --v 6.0
